

A Voyage in History

The Annual Battlefield Tours Pilgrimage – Summer 2016

2990 Cadets CWO Sabrina Daradjat and MWO Sparsh Kapar took part in a unique and educational adventure which started at the Canadian War Museum and ended with visits to historic Canadian WWI and WWII battlefields sites and cemeteries. Their trip took them to the Netherlands' and France where they learned about the immensity of the cost of human lives in the two World Wars and the importance of remembering those who lost their lives in combat. The climax of the trip came when they reached the Vimy Ridge Memorial, where cadets and officers alike had the chance to find the name of and honour the memory of a soldier whom they had researched using historic documents from the War Museum.
