Just keeping an eye on things

Cadet RSM, Chief Warrant Officer Cody Franke, "Ages Out" after an exceptional 7 Year Cadet Career. He had the opportunity to experience: summer camps, leadership and expedition training, exchanges and tours, band, air rifle, drill team and Corps appointments. He received well deserved promotions plus honours and awards. More importantly he earned the respect of Staff and was a fine role model for all cadets.

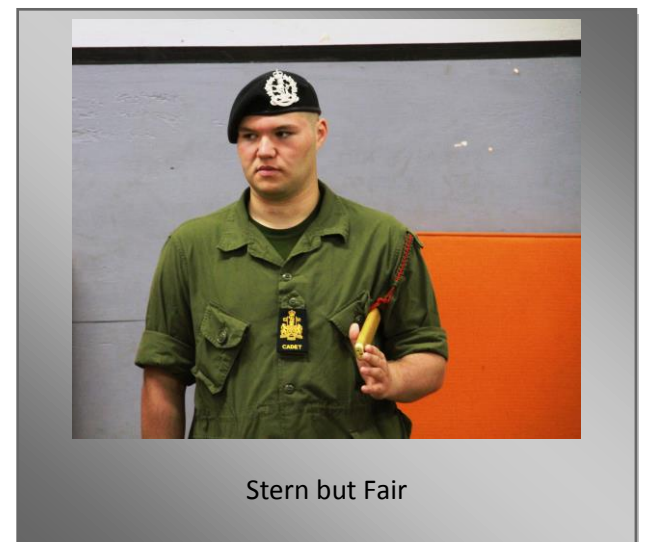

We wish him success in all his future endeavours!
